Matisse Landais

📍 11 Rue Des Clercs - 38000 Grenoble | France

📱 +33 6 95 90 30 07 | ✉ matisse.landais@grenoble-inp.org

20 years old engineering apprentice fond of data science and bioinformatics

Education

2017 - 2020   **ENGINEERING DEGREE IN MATHEMATICS AND COMPUTER SCIENCE (INTERNSHIP)** *Grenoble INP ENSIMAG*

2015 - 2017   **BACHELOR'S DEGREE IN COMPUTING** *- Technology Institute of La Rochelle*

2012 - 2015   **BACCALAURÉAT WITH MAJOR IN SCIENCES** *- Alfred Kastler - Talence*

Professional Experience

2018 - 2019   **2ND YEAR CO-OP** *- Becton Dickinson - Le Pont-De-Claix*
- Statistical analysis on customer demand
- Timeseries in R
- Crosscheck validation and models efficiency tests

2017 - 2018   **1ST YEAR CO-OP** *- Becton Dickinson - Le Pont-De-Claix*
- Data mining in SAP
- VBA Macro for data processing
- Updating and filling some databases for analysis
- Supply chain and company knowledge

April 2017   **INTERNSHIP** *- University of South Wales, Cardiff*
- Fundamentals comprehension of Data Science
- Use of analytical software (Tableau, RapidMiner)
- Data analysis for the National Health Service (NHS)

Skills

- **Software engineering** : R, Python, Java, SQL
- **Data Science** : Neural Networks, Tableau Desktop, VBA
- **Methodology** : Agile (Scrum)
- **Web development** : HTML/CSS/PHP/JS, Framworks
- **Others** : Linux, Markdown/LaTeX
- **Languages** : Anglais (C1), French (native)

Interests

- **Running**
- **Badminton** : five years, department level
- **Learning** : bioinformatics and data science
